TEN DAYS OF A WURTH XMAS ...

TEAM CHALLENGE..

## Welcome to the TEN DAYS to a Wurth Christmas.

For the next ten working days the marketing department at Wurth is putting on some daily deals and challenges to bring Christmas cheer to our customers and staff. Deals will be announced daily at 6pm, on our company website. The company website will have a large banner on the start page linked to further information about the days deal or challenge. All sales staff will be sent an email and txt message the day before the deal goes live. So make sure you check your emails and the website daily, we don't want anyone missing out on the chance to win some of the awesome little prizes that the Wurth Elves have put together!

## DAY EIGHT – TUESDAY THE 20th of DECEMBER TEAM CHALLENGE - LINES LINES LINES....

As it is the final days of our Christmas promotion we have decided to keep things simple for everyone. We have come up with an easy challenge that requires you to work with your team to win the prize. The prize will be awarded to the team who gets the most lines throughout the course of the day. Individually you will be required to push for that extra line at every call, but this in itself will not be enough to win. So you need to encourage and inspire the other members in your team to also push for that extra line, ensuring your team is in the running to win.

Tomorrows winning team will receive a \$150.00 bar tab to celebrate the year that was. So work together and get those extra lines so you can have a drink on us before the Christmas break.

Only lines entered on the Tuesday the 20th of December will be counted towards your team's total. The \$150.00 bar tab will be redeemable at the bar of your choice.
